

Newton South Booster Club

Soccer turf mannequins, new lacrosse nets, fencing for softball, banners in the field house, track starting blocks, pitching machine, concussion screening, video software for volleyball and football, all weather bench covers for multiple sports...and the list goes on! Your Booster Club dollars have purchased items for every athletic team at South and items that benefit the wellness department. The Newton South Booster club plays a vital role in supporting athletics at South by bridging the gap between the city school budget and the critical needs of athletic teams and the wellness department at South.

The Booster Club also promotes school spirit by selling "South Gear" and hosting concessions at many sporting events. Volunteering with Booster Club is a great way to get to know more families at South.

Your donation and participation is critical to the success of Booster Club's support of athletics at Newton South.

New this year, Your Booster Club donation of \$60 gets you a **FAMILY PASS** for admission to all regular season home events including basketball and football for four (4) people (\$10 for each additional family member); a \$40 donation gets you a single **STUDENT PASS** to all regular season home events, including football and basketball games

DON'T PROCRASTINATE--PLEASE DONATE!!

Diane Greer
President Newton South Booster Club

Here's our donation to support our student athletes!
